The **Comprehensive Plan** is an employer-paid plan that allocates contributions to the employee's retirement account. It also includes disability insurance benefits and a group-term death benefit.

The **Retirement Only Plan** is an employer-paid plan that allocates contributions to the employee's retirement account.

The **Member Contribution Plan** offers the member an opportunity to contribute to their retirement savings on a pre-tax basis.

**We're on a

There's a very important reason why churches and faith-based organizations partner with MMBB. When clergy and lay staff feel secure about their futures, they can focus on ministry and rejoice in what the church does best: connect the community to God.
